

## THE ANNUAL REPORT 2020. VRS

Honourable Chairman, Distinguished Chief Guest and the Guest of Honour, Respected Vice Chairman, beloved parents, special invitees, and my dear Children, Happy evening!

I am indeed elated to present the Annual Report, the record of achievements of the Velammal Bodhi Residential Senior Secondary School Ladanendal.

The scope determines the vision. Education today transcends geographical boundaries and has become global. The Career options have now magnified from local to global arena. In such a scenario students should be trained well to emerge as global players in global team. The foundation for this has to be laid firm and early in their lives. Velammal Bodhi Residential Senior Secondary school promoted by Velammal Educational Trust, is an outcome of an in-depth study on the contemporary Education system in our country and the advantages and the attributes of various course modules adopted.

The new academic year blooms with fresh opportunities, exciting new challenges and profusion of orientation programmes, not only for students but for the teachers and parents to keep abreast of an enlightened vision for the future days and achievements.

"Leaders are the role models who inspire the followers and motivate them to reach the target to success". The delegation of responsibility and giving authority not only teaches them lifelong skills of being powerful but also making them to be the best citizens. The newly selected leaders pledged to dispense their duties to the best of their abilities -indeed an ascertaining moment for the young torch bearers!!!

### DEPARTMENT ACTIVITIES

The warm and intimate atmosphere of the school endeavours to maintain and equipoise between academic excellences, value sensitivity and social awareness. We understand that every aspect of the students learning and development be it personal, social, emotional, physical or intellectual is interrelated and interdependent and this is reflected in the planning of activities with ample of opportunities.

#### KG and Primary Department

All the fragrant florets of a garden has a spark. The spark is kindled in all our children through love, care and encouragement. We believe that a child's true potential can only be fully realized when every aspect of his / her development is recognized and valued. We value the kid's potentials and cater ample of opportunities to expose them. The daily circle time is a learning process for the children where they are made bigger than they could imagine. The golden opportunities like celebrating all colour's day, Road safety Week, Clay modeling, Craft works, Club activities, Reading practices through Jolly phonics, Food Carnivals, Shapes Day, Toys Day, Thirukkural recitation, Fancy Dress Competition, Grand Parents Day Celebration, Graduation Day and Skill day Celebration. Celebrations of all national and religious festivals create a new life in them making them to grow steadily.

The love for learning in a child is induced not by extraneous factors but by the love for teaching shown by their teachers. The faculty at Velammal is dedicated, committed and well trained in the teaching methods. The teaching pattern followed in primary classes at Velammal is not solely exam oriented. Teaching of subjects is made innovative, interactive and active students' participation is encouraged. The school lays stress on overall personality development and encourages the children to communicate freely with their peers as well as their teachers. Debates and dramatics are organized as they play a large part in shaping their personality.

#### Middle and High School.

In the middle and high school compartments we aim to provide an academic programme which will stimulate and encourage each pupil to reach to his or her full potential in all areas of the curriculum. The students are encouraged to develop their individuality, while at the same time they learn to establish stable relationship with their teachers and their peers. Experience teaching staff guide the students' learning at all times.

Nature is the best teacher and teaches naturally. The children retain most of what they see, some of what they hear and every detail of what they experience. We firmly believe that the world is the classroom and every experience is the teacher. Classroom knowledge is supplemented with first hand experiences gained on various outdoor activities like field trips.

In this highly competitive world, it is very much essential to train the students to excel in the competitive exams. To fulfil this at Velammal Bodhi Residential Senior Secondary School an integrated IIT NEET foundation course has been started from class 6. Dedicated and experience faculty has been chosen for this highly competitive task. Exclusive study materials for the programme and internal examination pattern designed by Velammal Central Academic cell help students to excel not only in board exams but also secure top ranks in the competitive examinations. The students are given opportunities to take up various competitive exams like Olympiads, Young Learners English Exams by Cambridge London, Spell Bee, VISTO, National Talent Search Examination by State and Central Governments.

To understand the scientific postulates better, practical classes in all the branches of Science- Physics, Chemistry, life sciences and Math are conducted in specially designed laboratories under the watchful eyes of the adept teachers. To kindle the scientific temper, students are encouraged to participate in external science exhibitions and also organize them within the groups.

The school has forged tie-up with The Bharathidhasan University to provide advance certificate computer courses. The spacious well-equipped modern computer labs render them sufficient support for online based exams and online based teaching learning processes.

The School strives hard to inculcate reading habit among the students. The huge library house very good collection of books of various subjects, study material, question banks, periodicals and news papers etc., all to suit the reading tastes of different age groups of Children. Books are issued to the students for a stipulated time.

Every human being is endowed with some talent or the other. Many a times it is hidden and not apparent. It is the duty of the school and the parents to identify and nurture it. Our school encourages and provide every opportunity for the student to improve his talents. We believe that appreciation of art forms helps the refinement of a person's attitude. For complete fitness and mental peace various ECA programs and club activities have been designed and executed at Velammal Bodhi Residential senior Secondary School. With The grace of our school management we pamper the opportunities to learn swimming, Classical and Western dances, Yoga, Karate, Skating, Silambam, and Chess. Also, the Chances to learn musical instruments like Key board, Guitar, Violin, Drums, Miruthangam and Music- Vocal. The students of Velammal Bodhi Residential Senior secondary have formed an exclusive school band. It is a visual delight and music to the ears.

To kindle the competitive spirits and explore the hidden talents in the students literary, science, Mathematics, Quiz and cultural clubs have been established and students are encouraged to become member of any one of these clubs. The yearlong schedule for the conduct of various interhouse competitions is planned every year. Oratory and Essay writing competitions in different Languages are being held regularly. Inter house debates, quiz, singing and other competitions are also being organized every year as a part of talent scouting and grooming.

To inculcate a sense of honour, patriotism and national services in the students the school provides them the Scouts and Guidance. The students attend camps and are trained to take on the responsibility in the time of need.

As a part of social awareness programmes the students are taken to the nearby places where they involve themselves in social services like participating in various awareness rallies.

The school provides adequate facilities to the boarders for both boys and girls. The spacious dormitories are well ventilated and hygienically maintained. The boarders are provided with tasty and nutritious diet during breakfast, lunch and dinner.

A curious and serious surveillance on the process and progress of the children in grade X and XII in CBSE make the children walk on the right track. Morning and Evening Coaching Classes double the spirit in the children to come out with flying colours.

Everyday cycle Tests, Work sheets, Question Bank and Hot Questions Systems, Online Tests, Group Discussions, Role Play and One to One symposium provide intensive care to the students to boom higher.

#### Parents Discourse

The teaching learning process of the children completes only with the active involvement and spot on discussion of the parents. Phone Calls, regular diary notice to the parents, parents' orientation programs strengthen the hard work by the school for the children. Receipt of factual suggestions and grievances in the form of feedback from the parents to the school and vice versa makes us walk steadily in the areas of improvement of the children.

#### Sports Day and Special Events

Velammal Bodhi Senior Secondary school believes in the dictum "A healthy mind in a healthy body". It takes all essential steps to keep its students physically fit and mentally strong. The campus has facilities for outdoor games like cricket, football, volley ball Tennis, Hand ball, Throw ball, Khokho, Kabadi and indoor games like table tennis, badminton etc. A Full-sized swimming pool with filtration plant has been constructed to train the students for various swimming competitions. All the sports activities are conducted under the supervision of a physical director

The sports day has been organized in a grand manner. The school strength is divided into 4 houses and inter-house sports and games are conducted, awarding the winners with medals and prizes.

The spiritual and cultural celebrations like the Ramzan, Krishna Jayanthi, Christmas, Diwali, Navarathri and Pongal. The national celebrations like the Independence Day and the Republic Day enhance the social dutifulness of the children making them always proud Indians.

To enrich the knowledge of teaching learning process the management organizes teachers' enrichment programme for all the teachers regularly.
